Co-Sponsorship Application

A new co-sponsorship application has been submitted through the Parish website.

Requesting Use of the Parish Seal? Yes

Event Name:

2024 Privates & Boots Festival

Location:

Houma Downtown Marina (8226 E Park Ave, Houma, LA 70363)

Date(s) of Event:

04/27/2024 (11:00 AM - 6:00 PM)

Reason for Co-Sponsorship:

The Terrebonne Parish Consolidated Government's co-sponsorship of the 2024 Pirates & Boots Festival aligns seamlessly with our shared commitment to the well-being and cultural vibrancy of Terrebonne Parish. This event, scheduled for Saturday, April 27, 2024, at the Houma Downtown Marina, is not merely a celebration of our bayou heritage but a powerful initiative to galvanize the community in support of a cleaner, more beautiful Terrebonne. The Pirates & Boots Festival serves as a dynamic platform to engage citizens, instilling a sense of personal responsibility in preventing litter and actively participating in the beautification of our cherished parish. By co-sponsoring this festival, Terrebonne Parish Consolidated Government demonstrates its dedication to fostering a community that takes pride in its environment and actively contributes to its preservation. This collaboration is more than a sponsorship; it's a shared commitment to the well-being of our parish. The event's core mission, which is to empower individuals to be stewards of their environment, resonates with the Terrebonne Parish Consolidated Government's broader goals for community engagement, sustainability, and cultural preservation. Through this co-sponsorship, we aim to bring together the community, instill a sense of environmental responsibility, and celebrate the unique heritage of Terrebonne Parish. Together, we can create a lasting impact on the local community,

encouraging citizens to actively participate in the mission of Keep Terrebonne Beautiful. This partnership underscores our joint belief that a clean and beautiful parish is not just a goal but a collective responsibility and an integral part of our shared identity. By co-sponsoring the Pirates & Boots Festival, the Terrebonne Parish Consolidated Government demonstrates its commitment to the community's cultural and environmental well-being, reinforcing a vision of a thriving, beautiful, and united Terrebonne Parish.

SECONDED BY:

ORDINANCE NO. _____

AN ORDINANCE TO RESTRUCTURE CHAPTER 12, OF THE TERREBONNE PARISH CODE BY ADOPTING SECTION 12-75 THROUGH SECTION 12-79 TO CONSTRUCT BORROW PITS

WHEREAS, Section 1-06 of the Home Rule Charter for Terrebonne Parish Consolidated Government (TPCG) provides that the Parish Government shall have the right, power and authority to pass all ordinances requisite or necessary to promote, protect and preserve the general welfare, safety, health, peace and good order of the parish, including but not by way of limitation, the right, power and authority to pass ordinances on all subject matters necessary requisite or proper for the management of parish affairs, and all other subject matters without exception, subject only to the limitation that the same shall not be inconsistent with the Constitution or expressly denied by general law applicable to the parish; and

WHEREAS, Section 2-11 of the Terrebonne Parish Home Rule Charter requires an ordinance to adopt or amend an administrative code: and

WHEREAS, TPCG is in need of adopting Article 12, Sections 75-79 to construct and regulate Borrow Pits in the parish.

NOW, THEREFORE, BE IT ORDAINED by the Terrebonne Parish Council on behalf of the Terrebonne Parish Consolidated Government that:

SECTION I

The following sections of the Code of Ordinances of Terrebonne Parish at Chapter 12 shall be and are hereby adopted, with underline to show additions:

Sec. 12-75 – Definitions

- (a) **Borrow Pit** – For the purposes of this ordinance, a Borrow Pit, a term used in construction and civil engineering, is defined as an area created or dug for the extraction and sale of earthen material which will be used for fill at another location or to build/strengthen levees. A coastal use permit and coastal impact certificate are always required for Borrow Pits. The provisions of this ordinance are applicable.
- (b) **Pond** - For the purposes of this ordinance, a pond is defined as a small area created for the extraction of earthen material to be used for fill on the property in which the material is extracted to elevate the foundation for a structure on the property. It may also be used for recreational purposes, such as swimming pools, fishing pond, or aesthetics such as a small body of still water, a garden pond, for example, formed naturally or dug on one's one property, but in any case, not to exceed one (1) acre in size with less than 5,000 Cubic Yards (CY) of material removed. If 5,000 CY or more of material are removed from the pond, a Coastal Impact Certificate will be required.

Sec. 12-76 – Safety and Damages

- (a) **The property owner of the borrow pit site shall be responsible for implementation and installation of all measures to safeguard the public. These measures shall include but are not limited to the posting of warning signs around the borrow pit site. At a minimum, such signs shall be 24" x 36" and shall contain all of the following words: "Warning – Borrow Pit" "No Trespassing" "No Fishing" "No Swimming" "Beware of Alligators".**

- (b) The property owner of the borrow pit site shall be liable for and assume all responsibility for ensuring public safety during excavation of the borrow pit and after excavation activities have ceased and/or the borrow pit is abandoned.
- (c) The property owner of the borrow pit site shall be liable for and assume all responsibility for damages incurred by adjacent residential and commercial structures to slabs, foundations, walls, etc., caused by the operation of heavy equipment, including dump trucks and excavators, at, around, or in the borrow pit during excavation activities.

Sec. 12-77 – Archaeological, Historical, or Cultural Resources

- (a) If archaeological, historical, paleontological, or other cultural resources are encountered or suspected as such during activities authorized by this ordinance, work shall cease and the permittee/operator shall immediately notify the Division of Archaeology, Department of Culture, Recreation, and Tourism [CRT, P.O. Box 44247, Baton Rouge, LA 70804; (225) 342-8200] and the Office of Coastal Management in the Department of Natural Resources [(P.O. Box 44487, Baton Rouge, LA 70804-4487; (225) 342-7591)] as well as the Local Coastal Zone Management Program (985-873-6889). Work may not resume until written approval is obtained from CRT.

Sec. 12-78 – Environmental Compliance

- (a) The property owner of the proposed borrow pit site is responsible for compliance with all environmental regulations and permitting requirements under the jurisdiction of the U.S. Army Corps of Engineers, the Louisiana Department of Natural Resources, the Louisiana Department of Environmental Quality, and the Environmental Protection Agency, and obtaining all required permits from these agencies, as well as paying any compensatory mitigation imposed for permanent adverse impacts to wetlands or jurisdictional waters (Waters of the United States) and the payment of any fees and/or fines associated with the issuance of After-the-Fact permits.

Sec. 12-79 – Application for Coastal Impact Certificate for Borrow Pits.

- (a) Borrow Pits may be placed no closer than 75 feet from the site's property lines, or any parish road right-of-way (ROW), any local road/street ROW, or any ROW or servitude for a critical redundant parish levee (named below) except that Borrow Pits may be placed no closer than 150 feet from the following:
 - 1. State highway ROWs;
 - 2. Platted residential subdivisions or existing residential structures;
 - 3. Rights-of-way for the Morganza Hurricane Levee Protection System or borrow canal servitudes.
- (b) Critical redundant parish levees include the following:
 - 1. Ward 7 5-1 Levee;
 - 2. Montegut 4-8 Levee;
 - 3. Pointe aux Chenes 4-1 Levee;
 - 4. Thompson Road Extension (East Houma Surge Levee);
 - 5. Ashland North Levee;
 - 6. Levees on the western side of Lake Boudreaux (Cane Break, Suzie Canal, NFL South);
 - 7. Lower Lacache Levee;
 - 8. Industrial Road/Chabert Hospital Levee;
 - 9. Shrimpers Row Levee;
 - 10. Mayfield Levee;
 - 11. Lower Dularge Levees (East and West);
 - 12. Concord Levee; and
 - 13. Bush Canal Levee.

- (c) A borrow pit may be placed no closer than 200 feet from wetlands, including Bottomland Hardwoods, and natural surface waters.
- (d) A Borrow Pit operator or agent may apply in writing to the Terrebonne Parish President for a variance from these distance restrictions based on the size and shape of the proposed Borrow Pit site and supported by engineering analysis including soil stability analysis prepared by a Louisiana licensed engineer. The variance may not be based on financial hardship. Upon favorable recommendation by the Parish President, and favorable approval by the Parish Council by an affirmative vote, the Parish Council at its discretion may grant the variance by ordinance.
- (e) The Borrow Pit operator shall provide adequate dust and mud control on site and ensure that all vehicles and trailers are hosed down to remove excess dirt and mud before entering a public ROW or roadway. The operator is also responsible for and shall keep public ROWs and roadways free of dirt and mud for one-half mile in either direction and follow all state and local signage and permitting requirements.
- (f) The Borrow Pit operator shall comply with a Storm Water Pollution Prevention Plan (SWPPP) approved by the parish Engineering Division when conducting clearing or earthwork operations. The SWPPP shall include erosion control feature in addition to other components which may be required by the US Environmental Protection Agency (EPA), the Louisiana Department of Environmental Quality (LDEQ) and/or the Louisiana Department of Natural Resources (LDNR). The Borrow Pit operator shall prevent the transmission of soil particles into streams, canals, bayous, lakes or other waterways.
- (g) Borrow Pits shall be designed with a side slope of 1 foot vertical for each 3-foot horizontal run to a depth of ten (10) feet. A variance application from this side slope requirement may be made in the manner provided in (d) above. The variance may not be based on financial hardship.
- (h) Upon completion of the Borrow Pit, if there is a possibility to encompass the Borrow Pit into a forced drainage system for drainage retention purposes as well as other purposes designed to accrue to the benefit of the public, such as recreation, the parish may initiate negotiations with the property owner for maintenance, ingress and egress, and any other feature or component deemed necessary for drainage and /or recreational purposes, including the rights to be retained by the property owner.
- (i) Where access to a proposed Borrow Pit cannot be provided except by residential local or residential collector streets, the issuance of the Coastal Impact Certificate will be predicated upon receipt of engineering documentation of pre-construction (borrow pit) roadway conditions (including roadway surface and roadside drainage ditches), the provision of a plan in the application to return these streets and drainage ditched to pre-construction conditions when the pit is closed or abandoned, and receipt of a surety bond which will guarantee completion of any needed repairs if the applicant defaults or otherwise fails to perform the needed roadway/drainage repairs. The amount of the surety bond shall be determined by the Parish President, or by his designated department designee, and any other needed legal documents as determined by the parish legal department.
- (j) The applicant for the Borrow Pit Coastal Impact Certificate will also provide a traffic plan map showing primary access (truck haul routes) to and from the site within two (2) miles of the Borrow Pit. This truck haul route map shall be supplied to the Terrebonne Parish School Board Administration, the Terrebonne Parish Sheriff's Office, and the Parish Public Works Department for their review and comment.
- (k) The Borrow Pit operator will provide adequate truck/equipment parking on the pit site to ensure no truck queuing on public ROWs or roads.
- (l) No materials shall be stored on any access roads or within any of the distance buffers provided in Sec. 12-79 (a), (b), and (c) above.

SECTION II

NOW, THEREFORE BE IT ORDAINED by the Terrebonne Parish Council, on behalf of the Terrebonne Parish Consolidated Government, that, in due, regular and legal sessions convened, this ordinance is adopted.

SECTION III

NOW, LET IT FURTHER BE ORDAINED any section, clause, paragraph, provision, or portion of these regulations found to be invalid is severable and shall not affect the validity of the whole.

SECTION IV

NOW, LET IT FURTHER BE ORDAINED this ordinance shall become effective upon approval by the Parish President or as otherwise provided in Section 2-13(b) of the Home Rule Charter for a Consolidated Government for Terrebonne Parish, whichever occurs sooner.

THE ADOPTION AND USE OF AN OFFICIAL SEAL FOR THE
TERREBONNE PARISH CONSOLIDATED GOVERNMENT**

WHEREAS, on June 13, 2001, the Parish Council adopted Ordinance No. 6429 which provided for the adoption and use of an official seal for the Terrebonne Parish Consolidated Government; and

WHEREAS, the Parish Council now desires to amend the procedures for authorizing use of the official seal of the Terrebonne Parish Consolidated Government.

NOW, THEREFORE BE IT ORDAINED, by the Terrebonne Parish Council, on behalf of the Terrebonne Parish Consolidated Government, that Ordinance No. 6429 be hereby amended so that Chapter 1, Section 1-18 of the Terrebonne Parish Code of Ordinances now reads as follows, with exclusions struck through and additions in bold:

Sec. 1-18. - Terrebonne Parish official seal.

- (a) *Adoption and description of official seal.* The official seal of the Terrebonne Parish Consolidated Government as adopted shall consist of a circular cartouche with the word "Terrebonne" written on the upper inside portion of the circle and the word "Parish" written on the lower inside portion of the circle. The center of the seal shall always consist of the outline of the parish of Terrebonne which contains depictions of an oil well, a sugar cane farmer and a shrimp boat. Within the top of the outline of the parish are the words "The Good Earth". A banner with the words "established 1822" runs across the bottom of the outline of Terrebonne Parish. Within the circle, the word "Houma" is printed to the lower left-hand side of the outline of Terrebonne Parish and the abbreviation "LA." is printed on the lower right-hand side of the outline of Terrebonne Parish.

If any work, clause, phrase, section, or other portion of this ordinance shall be declared null, void, invalid, illegal, or unconstitutional, the remaining words, clauses, phrases, sections, and other portions of this ordinance shall remain in full force and effect, the provisions of this ordinance hereby being declared to be severable.

SECTION III

This Ordinance shall become effective upon approval by the Parish President or as otherwise provided in Section 2-13(b) of the Home Rule Charter for a Consolidated Government for Terrebonne Parish, whichever occurs sooner.

THERE WAS RECORDED:

YEAS: C. Hamner, D. Babin, K. Chauvin, S. Trosclair, B. Pledger, C. Harding, C. Voisin, Jr., J. Amedée, and C. K. Champagne.

NAYS: None.

NOT VOTING: None.

ABSTAINING: None.

ABSENT: None.

The Chairman declared the ordinance adopted on this the 27th day of March 2024.
