Good morning

Your increase in the amount of \$30,000 was approved at the Commission Meeting on March 30, 2022. Your agency can submit a modification to LCLE adding the increase to your budget.

I am in the office, feel free to call if you need to have further discussion.

Good Afternoon Brittany,

I am sending this email in reference to the modification for 6074 because we have not received anything showing that the increased amount has been approved. I know it was approved at the March meeting and I have a copy of the agenda. Would it be possible to send a response email showing the increase amount and it was approved so I can pass onto my local Government Finance Department so they can increase the amount for the grant. This is the reason why the modification has not been completed, at this time.

Also I have another question, since time is not in our favor in reference to receiving the DNA refrigerators possibly by the end of September. What would be a possible solution? I do feel they should be in, in time, if I can get them ordered within 2 weeks.

Thanks
