PROFESSIONAL SUMMARY

Through hard work, dedication and collaboration I surround myself with individuals who work together as a team to complete our goals.

After the devastating fire in November 2010 at St. Matthew's Episcopal Church and School, I served on the Building Committee that was charged with rebuilding and raising funds for what is again one of the cornerstones of downtown Houma. This was a daunting task, however we accomplished amazing success through team work and dedication. Without a doubt, this is the project that I am proudest of being a part of.

Just Kids at Art (JKAA) was an amazing community festival located on the grounds of St. Matthew's Episcopal School & Church that brought art of all types to children of all ages to the community at large for 28 years. I was chair of the event for 9 of those years, working with many individuals throughout the community to make JKAA a huge success.

As a founding board member of CASA of Terrebonne in 2000, our group established the first CASA in the tri-parish region that has since successfully grown throughout South Louisiana and is flourishing within the court system.
