Providing false information on this application is grounds for immediate removal from any board or commission.

^{1.&}quot;personal economic benefit" for purposes of this application, means that no applicant or his immediate family will receive any economic benefit from the applicant's service on said Board or Commission. Simply put, the applicant's actions/transactions while serving on the Board/Commission may result in profits for himself or his immediate family. A per diem received by applicant for his/her service on any board or commission does not constitute personal economic benefit within the meaning of provision E.

2. "immediate family" for purposes of this application means his children, the spouses of his children, brothers, sisters, parents, spouse, and the parents of his spouse.

3. If any applicant is not aware of the meeting requirements of the particular Board/Commission to which he/she is applying for membership, he/she should determine this information by contacting a Board/Commission member or by contacting the office of the Council Clerk.
