Terrebonne Parish, Louisiana

Dear Ms. Picou-Bowens:

We have reviewed the bids received by the Terrebonne Parish Consolidated Government on May 25, 2017, for the above referenced project. The results of the bids submitted are shown on the enclosed bid tabulation and bid breakdown. The apparent lowest, responsible, and responsive bid was submitted by River Road Construction, Inc. of Mandeville, Louisiana in the base bid amount of \$3,360,000.00.

Based on the review and conclusion of the Parish attorney office the bid should be awarded to River Road Construction of Mandeville, Louisiana in the amount of \$3,360,000.00.

It is recommended that the award be made subject to the Contractor's fulfillment of all applicable requirements set forth in the contract specifications. If you concur with this recommendation, please have this placed on the agenda for the next Council meeting.
