I have no objection. Considering the density and close proximity of the structures to the road, I think it would be a safety improvement.

Subject: Magnolia Courtyard Blvd Speed Limit

Chris,

I was contacted by Councilmen Gerald Michel regarding the speed limit on Magnolia Courtyard Blvd. Mr. Michel requested I consider lowering the speed limit to 15 mph. Currently there is no posted speed limit on the street, therefore by default it is 25 mph. Considering that the street is only 24 feet wide, has two 90° turns, and the structures are very near the road; I have no issue recommending we pass an ordinance lowering the speed limit to 15 mph.

Do you have any objections or thoughts?

Thanks,

Dear Ms. Picou-Bowens:

We have reviewed the bids received by the Terrebonne Parish Consolidated Government on October 5, 2017, for the above referenced project. The apparent lowest, responsible, and responsive bid was submitted by Low Land Construction Co., Inc. of Houma, Louisiana for a total Base Bid amount of \$981,500.00.

Based on our evaluation, we recommend that the contract be awarded to Low Land Construction Co., Inc. of Houma, Louisiana, for the Base Bid amount of \$981,500.00.

It is recommended that the award be made subject to the Contractor's fulfillment of all applicable requirements set forth in the contract specifications. If you concur with this recommendation, please have this placed on the agenda for the next Council meeting.
