Head Start Program
Annual Report**

1. FY 2020

Terrebonne Parish Consolidated Government received \$ 1, 520,591.00 from the Administration for children and Families for the 2019 fiscal year. \$1,501,113.00 was allocated for Program funding and \$ 19,478.00 was allocated for Training and Technical Assistance.

TPCG is required to a 20% NFS match of \$ 380148.00 to fund the Head Start Program. General Fund allocated \$ 501,785.00 for Head Start during the current fiscal year.

Terrebonne Parish Consolidated Government also received a \$ 28,335.00 for a 2% Cost of Living Allowance for the Head Start employees.

The Community Development Block Grant provided \$ 12,000.00 in funds during this fiscal year.

2. School Readiness

The School Readiness Plan and Goals for 2020-2021 School year have been revised and updated. These goals have been developed to ensure that children are prepared and ready to enter Pre-Kindergarten or Kindergarten when they leave the Head Start Program. The plan and goals have been developed by the School Readiness Team. The team members include Head Start staff, TPL's Reading Outreach Manager, Head Start Policy Council members and Head Start Parents.

The School Readiness Plan includes goals developed by parent, staff members and community input. The goals aligned with the curriculum used by the Head Start Program (Creative Curriculum) and our data system (Teaching Strategies GOLD), and the Louisiana Department of Education's Early Learning Standards.

Data collected from each child is inputted into the data system at least twice per week and a Child Outcomes report is generated three times per year. This data is then analyzed to ensure that each child is progressing towards his or her goals as well as the overall School Readiness Goals. A report is run to show how each classroom, center and the program is progressing towards meeting the SR Goals. The data is then used for planning purposes, including building capacity in the classrooms if needed and/or for professional development of the teaching staff.

The 2020-2021 school year starting late due to COVID-19 lockdowns. Three checkpoints were not obtained. The data collected was analyzed and the data collected was used for professional development for teaching staff.

A copy of the 2020-2021 School Readiness Outcomes Report is attached for your review.

The School Readiness Plan and Outcomes Report is available for review on the Head Start link on TPCG's website.

3. 2020-2021 School Year

The Head Start Program was funded for 170 children.

The total actual enrollment for the 2020-2021 school year was 163 children. Enrollment was down due to COVID-19.

4. Disabilities

During the 2020-2021 school year, we served 28 children who had diagnosed disabilities. We met the mandate of serving at least 10% of our funded enrollment (16.4%) for that school year. Currently, we are serving 17 children with diagnosed disabilities at the two centers that are currently open (Schriever and Holy Rosary Head Start).

5. The Head Start Program is a sponsor of the Child and Adult Care Food Program and receives a reimbursement from USDA/LA Department of Education for the meals served to the children. Through December 2020, we received \$ 70,875.61 from the Department of Education/USDA. Total food costs through December 2020 were \$ 101,407.11.

Total Meals Served from January through December 2020:

Breakfast:	11,165
Lunch:	11,059
PM Snack	9,641

6. The Terrebonne Foundation for Academic Excellence is continuing to fund the cost for all Head Start children to receive a book each month from the Dolly Parton Imagination Library. Children can receive a book each month from birth to five years of age.

Each domain was based on: Have Not Accomplished, Emerging, and Meet School Readiness Goals. Each domain was based on a percentage that was determined by the aggregation of the database, Teaching Strategies Gold.

Each checkpoint is identified as Fall, Winter, and Spring with the 3-year-old percentages posted above the 4-year-old percentages along with the number of children that accomplished each goal/objective.

Fall	Winter	Spring
●Baseline	Baseline =130	Baseline =135
●3-year-old children- <u>No data aggregated.</u> ●4-year-old children- <u>No data aggregated.</u>	●3-year-old children- out of the 19 goals 14 are over the 50% percentile. (Emerging) ●4-year-old children- out of the 19 goals 9 or over the 50% percentile (Emerging)	●3-year-old children- out of the 19 goals 15 are of the 10% percentile (Meeting SR goals). ●4-year-old children out of the 19 goals 4 are of the 10% percentile (Meeting SR goals)

Growth Area: <ul style="list-style-type: none"> ●Teaching staff will work with the children to accomplish their goals. If they are not accomplished staff will use different learning activities until the child (ren) successfully accomplish their objective/goal. The report is reviewed after each checkpoint to determine the percentage of children (3 & 4-year-old) that have not accomplished their goal/objective (s). The determination of children with IEP's and other learning factors are reviewed and the implementation of the skill checklist, learning/hand-on activities, STEAM materials, Instructional support, and Classroom Organization, is applied. When goals/objectives are not accomplished the teaching, staff continue to use other techniques to assist children to meet their accomplishments.
