# NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

#### NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under Lä. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

# NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re:

Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

# NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

# NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

#### NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

### NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements Re: under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

### NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Re: Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of Louisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

## NOTICE TO ALL BIDDERS, PURCHASERS, ACQUIRERS OFADJUDICATED PROPERTY

Purchaser's/Acquirer's Responsibility to Comply with Notice and Recordation Requirements Re: under La. R.S. 47:2206 and La. R.S. 47:2208

Dear Bidder:

Thank you for your interest in the bid and possible subsequent purchase of the property adjudicated to Terrebonne Parish Consolidated Government. To protect your rights in this property, a few more steps are required by state law after your winning bid is established.

Recently, Louisiana has passed new laws requiring purchasers of adjudicated property to notify any parties who may have had an interest in the property of their rights of redemption. Terrebonne Parish Consolidated Government has not and will not perform these notice requirements; thus, should your bid be accepted as the winning bid, it will be your responsibility to do so.

Attached are copies of the law containing the form letter and form publication prepared by the State of L'ouisiana, both of which comply with the new notice requirements.

Louisiana Law also provides that a purchaser of adjudicated property may cancel liens and encumbrances filed against the property by recording in the mortgage department of the parish courthouse proof of the notices discussed above. A copy of this law, which contains a form affidavit, is also provided.

If you have any questions regarding the contents of these forms or the procedure which must be followed, you should contact your attorney for advice.

This information is being provided to you as part of a bid packet for the bid and potentially the subsequent purchase of adjudicated property from the Terrebonne Parish Consolidated Government. By acquiring a bid packet for the bid/purchase of adjudicated property, you acknowledge that you have reviewed and understand the ordinance declaring surplus the adjudicated property that is the subject of this bid package; you have received this information and the attached statutes (laws); and that you understand these procedures must be followed in order to fully protect your rights in the adjudicated property that you wish to purchase from the parish.

Hey Brian

So I am piecing this flysystem together. I'm getting portions of information.

Who did he talk to and how much weight was stolen that needs to be replaced Cliff says Pete reached someone and got a price for the stage weights.

Hey Brian

ı

long of a lead time before parts are in hand. Maybe I'll know something tomorrow. I have been calling each day When we have all parts in hand it should take us 3 to 4 days to remove, replace and repair. I do not know how to stay on top of them. Everyone is short staffed at the moment and it has become increasingly difficult to get answers, parts, etc... some vendors have completely gone out of business.

I will follow up tomorrow when I know more.

With the outline of repairs needed prior to any setup of the flyrail for an event, what kind of timeline do that was released last week so we are trying to absorb everything to see what we can make work and you need to make repairs? Reasoning being, our calendar as started to fill up with the new guidance what we can not.

Thanks.

Hey Stacey

what those costs are. I believe we need to replace a few turnbuckles before we can put any weight on it. As, for the bent flyrail arbors, the piece of the flysystem that holds the stage weights and does the vertical traveling to counterbalance I have reached out to the stage weight supplier again this morning. They told me it may be tomorrow before we know the pipes, it will be a few days to remove and install. I am also still waiting on pricing for the remaining parts.

This attached quote is to reflect the labor it will take to get us to a theatre look. This does not include what labor is necessary to replace the tired and broken materials.

Hey Stacey

Firstly, we can do this job.

I am still waiting on information about the flystem from the manufacturers. It has been increasingly difficult to get any information at all. I believe I am only waiting on the stage weight price and lead time. I can get you a price for the labor to set up the curtains and fly system.

Hopefully, I'll have something together for Monday.

Subject: Communication Invoice

#### Good morning,

An invoice was submitted for \$6,433.29 for Alliance Communications, but the budget in account 237-690-8915-03 is for \$3,000. Should this invoice all go to this account or do I need to complete a budget amendment to add funds to this account?

Thank you,

Mike,

In reference to establishing a second Assistant Director for the facility, I spoke with Kandace about what would be the correct process to convert my vacant Social Worker position. The budget adjustment that it will require should be minimal to no change to the budget. I have attach a letter requesting the change along with necessary documents to move the process forward should I receive approval from your office.

Thanks for everyone's time in this matter

Thanks,

Dear Colleagues,

assist us in our daily operations. I am recommending paying for this position by converting In constantly evaluating our operations and desiring to provide the best services for the requesting the addition of a second Assistant Director (late afternoon and evenings) to juveniles housed in the Terrebonne Parish Juvenile Justice Complex, I must look to the past, present, and future with a discerning eye to better respond to those challenges funding from my vacant Social Worker position and moving funding into the created organizational change that I believe will increase our level of effectiveness. I am both present and anticipated. With that in mind, I am formally requesting an Assistant Director position.

My goal is to expand our administrative coverage across a greater amount of time the juveniles are awake especially during the early evening hours when our day staff personnel for evenings and late afternoon would be personnel to assist during these In speaking with other facility directors in the state, there first choice of additional have left for the evening.
