Providing false information on this application is grounds for immediate removal from any board or commission.

1. "personal economic benefit" for purposes of this application, means that no applicant or his immediate family will receive any economic benefit from the applicant's service on said Board or Commission. Simply put, the applicant's actions/transactions while serving on the Board/Commission may result in profits for himself or his immediate family. A per diem received by applicant for his/her service on any board or commission does not constitute personal economic benefit within the meaning of provision E.

 3. If any applicant is not aware of the meeting requirements of the particular Board/Commission to which he/she is applying for membership, he/she should determine this information by contacting a Board/Commission member or by contacting the office of the Council Clerk.

Retired accountant(11 years) for City Court of Houma. Teacher, Auditor, Accountant, Chief Accountant and Controller for several large corporations.

OBJECTIVE

To implement my accounting experience and knowledge in the operation of Terrebonne Parish Veterans' Memorial District Board. My accounting experience will enable me to implement realistic decisions to improve The Regional Military Museum Foundation and Veterans' Memorial Park. These decisions will have a real economic impact for Terrebonne Parish. In doing so we will move forward and grow into the future to attract visitors from not only Terrebonne Parish but through out Louisiana, the USA and out of the country. This will have substantial economic impact for Terrebonne Parish and the surrounding areas. When tourists come to Terrebonne Parish their tourist dollars are also spent in the surrounding areas. With the proper guidance The Regional Military Museum Foundation and The Veterans' Memorial Park could be a reflection of The World War II Museum in New Orleans.
