Zoning & Land Use Commission
Staff Report

October 19, 2023
Agenda Item F.1

LOCATION:	202 East Street	APPLICANT:	Doris Moore Jules
APPROVAL REQUESTED:	Rezone from R-1 (Single-Family Residential) to R-3 (Multi-Family Residential)	RECOMMENDATION:	DENIAL

PROPOSAL:

Rezone from R-1 (Single-Family Residential) to R-3 (Multi-Family Residential) for the purpose of placing a mobile home on the property.

ANALYSIS:

The areas of Barrowtown and Mechanicville Subdivisions are mainly R-1, but there are several lots that are zoned R-2 and R-3 and many of these have mobile homes on them. Additionally, several of the R-1 lots have mobile homes that are legal, non-conforming. In recent years, property owners have come to the Zoning & Land Use Commission to request rezoning to R-3 in order to place a mobile home in the Mechanicville and Barrowtown areas. In December 2020, a proposed rezone for numerous lots in Mechanicville from R-1 to R-2 was presented to the Zoning & Land Use Commission but was recommended for denial after public comment. It was decided at that time to continue to review rezone requests on a case-by-case basis.

The Zoning Ordinance states that in order to rezone property, one of the following conditions must apply:

1. Error.
2. Change in conditions.
3. Increase in need for sites for business or industry.
4. Subdivision of land.

Applicant and Staff agree that the application fits under Item 2 – change in conditions due to the increasing need for affordable housing in the area. However, the subject property does not abut an existing R-3 zoning district nor does it meet the minimum size requirement of 5 acres to request a rezone to R-3.

All public notice requirements have been met, and Staff received no calls regarding this request.

RECOMMENDATION:

Staff would recommend **DENIAL** of the rezone request from R-1 to R-3.
